

Joan Technologies Ltd. – Privacy Statement

Introduction

Joan Technologies Ltd. ("we," "us," "our") is committed to respecting your privacy and handling personal information responsibly. This Privacy Statement outlines our practices regarding personal data collected through our websites and other means, in accordance with applicable data privacy laws.

1. Personal Information We Collect

We may collect:

- Contact details (e.g., name, email, phone number)
- Login credentials (username, password)
- Data gathered from website usage (e.g., IP address, browser type)
- Preferences and feedback provided by you

2. Use of Personal Information

We use your information for:

- Website maintenance and troubleshooting
- Customer support and communication
- Marketing (with your consent)
- Analysing website usage for improvements

3. Sharing and Transferring Data

We may share data within Joan Technologies, with trusted partners, or as legally required, ensuring all transfers meet relevant data protection laws.

4. Your Rights

Depending on local laws, you may have rights to access, correct, or delete your data. You can exercise these rights by contacting us.

5. Data Security and Retention

We implement robust security measures to protect your information. Personal data is retained only as necessary, in compliance with legal requirements.

6. Contact Us

For privacy-related questions, please reach out to us at:
